Mission to help kids in hospital

WHEN it comes to fundraising, Shashi Kochhar not only talks the talk, he walks the walk.

Mr Kochhar has been raising money for children's hospitals for years through the Friends of the Children Foundation, which donated more than \$70,000 in 2012.

The major fundraiser last year was a Beethoven to Bollywood event attracting more than 800 people.

"It was very successful," Mr Kochhar said.

The Oakleigh man said this year he wanted to raise \$90,000 and expand the reach of the fundraiser.

The Foundation has organised a walk on February 24 through the Dandenong Valley parklands.

Mr Kochhar said it would comprise courses to cater for all walking abilities.

The event will start at The Oaks picnic area in Jells Park at 9am.
